Dear Sir/Madam:

Enclosed are the following forms related to the prosecution of our invention entitled "Fountain Solutions containing Antipiling Macromolecules" Application number 10/813,462.

• Corrected Credit Card Payment Form
\$1,750.00 (Petition fee \$750/issue and publication fee \$1,000) 1 page

• Copy of Credit Card Payment Form which had one digit wrong in the AMEX credit card number 1 page

• Petition for revival of an application for patent abandoned unintentionally 2 pages

• Copy of Notice of allowance + fee(s) due 1 page

• Copy of Part B - fee(s) transmitted 1 page

• Copy of Auto-reply facsimile transmission 1 page

• Copy of Office of Initial Patent Examination 1 page

In regards to this patent application, I was totally unaware of the unintentional error of one digit in my credit card number in paying the fee(s).

Furthermore, I had no recollection of anybody contacting me by phone calling me with regard to this patent application. I only found out, after the 3 month period, by going to the USPTO e-business site, and finding a form signed by a M. Evans-Terrell, stating that an attempt was made to contact me.

I sincerely hope, that by filing this petition, that our patent application will be awarded in due course.

If you need to contact me please call me at 908-722-4247 or e-mail richardstockel@msn.com

Sincerely
Richard Stockel
